

I benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services, and it shouldn't be up to the NAB to dictate/decide what I am permitted to hear.

I urge you to reject the NAB's PETITION 04-160 and to support XM's ability to provide the kind of programming I, the consumer, demand and deserve.

Thank you very much!
